

# G7 Hip Abductor

# MATRIX

### Incremental Weights

Incremental weights are easily accessible from the seated position. Numeric selection allows users easy reference for future use.

### Electronic Rep Counter

Integrated system tracks repetitions, activity time, and rest time for a simplified workout experience.

### Exercise Placards

Conveniently located and easy to read exercise placards offer a quick reference to targeted muscle groups and proper machine use. Placards offer color references to easily identify muscle-group categories.

### Action Specific Grips™

Ergonomically designed, function specific handles reduce stress on contact points to enhance user comfort.

#### FRAME AND CABLES
